

Guidelines for Form of Irrevocable De-Registration and Export Request Authorisation (IDERA)

Article XIII of the protocol to the Cape Town Convention provides for the irrevocable delegation of authority to deregister aircraft (IDERA) by the registered owner to a third party.

IDERA Form

The IDERA must be in the form specified in the Convention on International Interests in Mobile Equipment (Cape Town Convention) and must be signed by the aircraft registered owner.

The acceptable form of IDERA is attached. The blank spaces should be completed and the form signed in ink by the registered owner.

Application to lodge the IDERA may be made by the registered owner by submitting the fully completed and signed form in duplicate to the Icelandic Transport Authority (ICETRA).

After receiving an IDERA, ICETRA will record the IDERA accordingly.

Non-compliant IDERAs will not be processed but will be returned to the registered owner at the owner's risk. Where the form is submitted by a solicitor acting for the registered owner, the correspondence will generally be directed to the solicitor.

Applicants should make appropriate arrangements to ensure that IDERAs submitted to ICETRA are in a form and substance acceptable to the authority.

The IDERA will be returned to the authorised party, to the holder of the power of attorney or his solicitor, after registration.

Revocation of an IDERA

Revocation of an IDERA recorded by ICETRA, requires the written consent of the authorised party, preferably on the authorised party's copy of the recorded IDERA.
